To every one who helped build our school

I thank you for building our school

so we can meet our new teachers

so we can work hard. so we

can reach our goals.

To everyone who helped
build our school,

Thank you for taking your
time to paint and to build
our school.

I'm happy that you builded
the school here. Now
it only takes me four
minetes when I walk slow.

I'm also thank you for
putting in grass. I also like
the schools building colors.

Your friends,
